WHY NOT GO THE EXTRA MILE?

That's the approach Robinson Restoration and Service feels is such an important part of what we're about.

Parnelli Jones

THEY DON'T LIVE FOREVER... As much as we might not want them to, those we love, respect and cherish, often leave our lives much too soon. Motor racing lost so much more than just a legend June 4th, 2024. We lost a highly regarded and loved member of the racing family, Parnelli Jones.

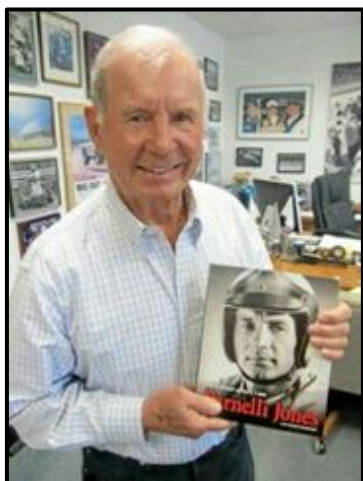

There's a million different stories as told by those lucky enough to have known him, but they all start out the same, "PJ was one of the greatest racing drivers to have ever lived, but more importantly, what an amazing person he was." He helped so many of us as we pursued a career in the sport he was master of, no matter what class or level.

For the MEDIA ROOM Producer; Skeeter McKitterick and myself, Parnelli touched our racing careers like no other. As famous and gifted as he was as a driver, his lasting impression on motor racing shows the kind of person he was. To say he'll be missed is too short, too shallow and not nearly enough. Godspeed PJ, you are loved by all who knew you.

We thank God we were amongst the blessed few.
