Rick Titus reporting on **38th Fabulous Fords Forever!**

April 21, 2024

Imagine, if you will, what a gathering of every Ford product in one spot looks like, and then double it! What an amazing group of die-hard Ford fans, for the last 38 years they've been meeting at Fabulous Fords Forever events. This year even included a 1/8th-mile drag race event. Irwindale Speedway, in Southern California, was the perfect venue.

Ford Motor Co. brought their new GT4 customer race car for display, Saleen brought three of his model offerings and of course parts suppliers were on hand. Should someone say "pick your favorite" we wish you luck.

- Kemal Curic – Lead Designer, sixth generation (2015) Mustang
