WHY NOT GO THE EXTRA MILE?

That's the approach Robinson Restoration and Service feels is such an important part of what we're about.

We Attended the
50TH MID-AMERICA
Ford & Shelby Nationals
June 20-23, 2024
Claremore, Oklahoma

For 50 years a dedicated group of hard-working folks have run one of the greatest automotive events we've ever been to. Fifty years, or another way to put it, ten times longer than most Hollywood marriages.

From a picnic on a driveway, to hosting over 1000 cars, all Fords, and a great group of middle-of-the-country Americans, including the several hundred from foreign lands and the far-away states.

Held every year in June, this year's event took it up yet another notch by moving the base of the event to a less crowded venue of Claremore, Oklahoma, as opposed to the busy streets of Tulsa, the event's former home of the last 49 years. Over 700 vehicles attended the car shows, better than 400 entries for the track days at Hallet Motor Racing Circuit, and nearly 500 vehicles for the Drag Race-Day and swap meet. In short, a very attentive crowd.

However, fifty years and huge crowds is not enough for this group, nope, starting with year fifty-one the Mid-America Shelby and High Performance Ford meet will now include all makes of vehicles in a monster show in tribute to Route 66 which just so happens to run right through Claremore, Oklahoma. This shindig is ensuing to be HUGE!

Team Robinson Restoration and Service had a great time this year, and we want to thank all those who made us feel right at home.
